

# **Salmon Watch Ireland**

## **Annual Conference 2011**

**Saturday, 21 May, 1300 to 1600**

**Silver Springs Moran Hotel, Tivoli, Cork**

### **Current Issues in Fishery Management**

1. The challenge of falling salmon survival rates at sea – what SALSEA can teach us  
- Dr Ken Whelan, Atlantic Salmon Trust.
2. Water quality – what can the Water Framework Directive process deliver – Dr  
Fran Igoe, Irish Char Conservation Group.
3. Funding the rehabilitation of fisheries – Maura Walsh, Integrated Rural  
Development, Duhallow.
